April's tasting took us to Barb and Bill Browns for a tasting of "big reds", featuring "Cabs in a bag". Geography was featured with only a few of us naming the country or state of origin. After a warm-up of Charles Shaw (California at \$9.99) the rest in order of preference were:

Spain- Gran Oastellflorit, Penedes (\$9.99)  
Washington- Sagelands, Columbia Valley (\$14.95)  
California -Gallo, Sonoma (\$11.99)  
Maryland -Elk Run, Liberty Tavern (\$24.50)  
Argentina-Coco Drillo, Mendoza (\$14.99)  
Australia- Twin Beaks (\$9.99)

Thanks to the Browns as both house and wine hosts with a great tasting both informative and fun.
